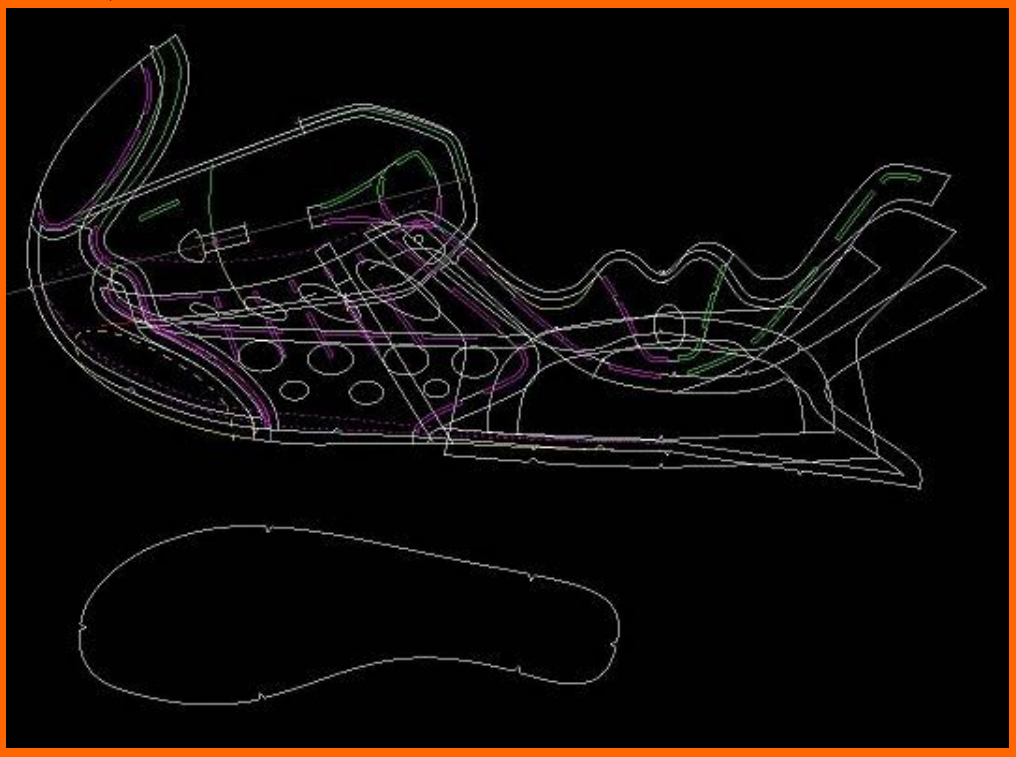
REFINING CONCEPTS  DEFINING SUCCESS

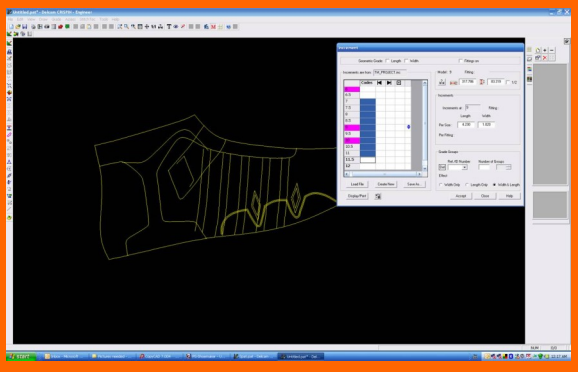
## FOOTWEAR PRODUCT REALIZATION SERVICE SHEET

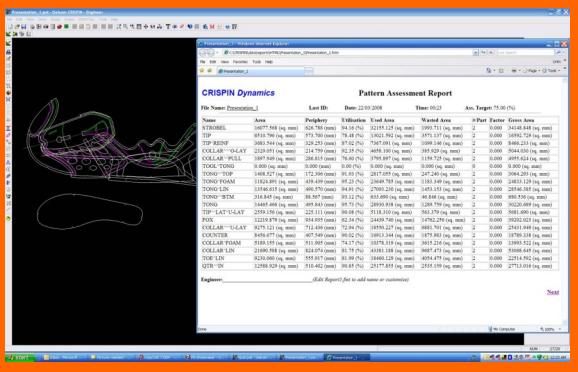
## PATTERN ENGINEERING

Proof of Concept offers complete PATTERN ENGINEERING as one of our key footwear services. Accurate Patterns are essential to good shoe making—and our patterns are made by one of the best engineers in the business. Our patterns provide you the following benefits:

**Assurance of Fit to the Last**
**Correct Layering Construction and Stitching Layout**
**Complete Parts List and Itemization for Bill Of Materials**







PATTERN ENGINEERING is more than just patterns, however. Complete grading schedules can be created allowing the design to be controlled across the size range as per your direction.
Also, Material Yields can be calculated showing you how efficient your pattern is and how to spilt large panels into smaller ones for better cost effectiveness.
